TRAINING ANNOUNCEMENT

MVRFTC PRESENTS

Low Angle Rope Rescue Operations

COURSE DESCRIPTION:

LARRO is a 24-hour course designed to equip the student with the techniques and methods for using rope, webbing, hardware friction devices, litters in low angle rescue situations. Areas covered include rope and related equipment, anchor systems, safety lines, stretcher lashing and rigging, mechanical advantage systems, and single-line and two-line rescue systems.

CERTIFICATES ISSUED UPON COMPLETION WILL INCLUDE:

State Fire Marshal: FSTEP LARRO

PREREQUISITES: None.

This course meets the pre-requisite for Rescue Systems 1

STUDENT REQUIREMENTS:

Students are required to bring the following equipment to class every day: Fire Department helmet or rescue helmet, Rope Rescue or leather work gloves or fire department gloves, long pants or coveralls-NO SHORTS, Steel toed and shanked safety boots, Short or long sleeve t-shirt. The use of nomex jacket or pant is optional but recommended for some events.

INSTRUCTORS: Ryan Michaels and Andy Cosentino

COURSE FEE: \$325.00

DATES: January 20, 2021 – January 22, 2021; 0900-1730

LOCATION: Mid Valley Regional Fire Training Center
9594 E. American Ave, Del Rey

ENROLLMENT:

Class is limited to 24 students. Please visit www.mvrftc.org to enroll.

COVID 19 restrictions and policies will be in place. Face Masks and social distancing will be required. Additional information and requirements will be provided on the first day. Students with any symptoms will not be allowed to participate. Screening will be performed.

Out of consideration for people on our waiting list please cancel your reservation no later than 14 days prior to the first day of class. Within the 14 days, students will forfeit the full payment.
